Prerequisites

- Applicants must take the SBCC Assessment Test in English and qualify for eligibility for English 70 and 80. Students should make an appointment with program coordinator if they are not eligible for English 70 and 80.
- Each student must have a current CPR for health care provider or professional rescuer certificate.
- Physical Exam and proof of immunizations required.
- Social security card (copied by staff) per Department of Social Services.

Application Procedure

- Obtain an application from the Santa Barbara City College Health Technologies Office (Room A-218).
- Complete assessment testing at SBCC.
- Submit completed Application and Assessment test results to the Health Technologies Office.

Acceptance Procedure

- ATTEND THE INFORMATION MEETING.
- Before the first class, turn in to the Health Technologies Office the required PHYSICAL EXAM (on the SBCC form) with all immunizations up to date.

Students will be accepted on a first come, first served basis after the following items are received: physical exam, CPR, social security card, completed fingerprint card and criminal clearance, if applicable. Once a class is full, students are placed on a wait list.

NOTICE: Nurse Assistants might NOT be certified by the state of California if convicted of a Penal Code Violation. Prior clearance must be obtained before entering the program if the student has had a Penal Code Violation. Additional information will be given at the scheduled information meeting. Fingerprinting is required.

Certified Nursing Assistant

2016-17

Skills Competency Award in Certified Nursing Assistant

The Certified Nursing Assistant (CNA) program prepares men and women to give basic nursing care under the direction of a licensed nurse. The focus of this program is on care of the elderly and includes both classroom and clinical experience. This program meets the requirements for the California Certified Nursing Assistant. Graduates are qualified to take the State Certification Exam.

Completion of CNA 103 (see Skills Competency Award for Acute Care CNA) prepares students for basic CNA care of patients in the acute care hospital setting.

The Home Health Aide (HHA) program builds upon the basic CNA training and prepares men and women to give care in a home situation.

Together the basic and acute care CNA courses and the HHA course take one college semester (17 weeks). CNA takes approximately 13 weeks, and HHA approximately 4 weeks.

Prerequisite for the HHA course is satisfactory completion of the CNA course, and/or previous certification as a CNA.

All students who successfully complete CNA may continue into the HHA class. Additional CNAs will be taken into the HHA class if space is available.
